✨ You're a Vue superstar! ✨

TASK2.2:
screenshot demonstrating the author-highlight functionality

Attribute, Class and Style Binding with `v-bind`

Highlighting Specific Authors:

Jane Austen

George Orwell

Agatha Christie

screenshot of the code for implementing the author-highlight functionality

```
<section class="lab-section">
    <h2>Attribute, Class and Style Binding with <code>v-bind</code></h2>
    <p>Highlighting Specific Authors:</p>
    <ul>
        <li v-for="author in authors"
            :key="author.id"
            :class="{ highlight: author.name === 'George Orwell' }">
            {{ author.name }}
        </li>
    </ul>
</section>
</div>
</template>
```
